

NOTES FOR 2025 REGISTRATIONS

For the first time ever, we are trialling the Event Module in our Gecco Membership system. This has the added benefit of companies being able to charge registrations to their businesses directly and offers a credit card function for the first time. However, if you have not logged into Gecco before, then you will need to do so when registering.

If you have not logged into Gecco before then, using the email address Groundspread NZ has on file for you (Rose sent emails to the registered email addresses for your company a while back), please hit the reset password button and you should have access.

If you have forgotten your password, have no idea which email address we have on file for you, or perhaps you might not be in our system at all... do not panic! Please just register as a new user to allow you to access tickets for Conference.

If you are still having trouble accessing the registration form, then please call Rose on 027 214 1790 or email her at eo@groundspreadnz.com

Please note that if you are billing to your company, this conference invoice will go directly to the person noted on Gecco as the receiver/payer of invoices so please check with them first!
